

Smart eco ice

Stay cool anytime, anywhere

Heat down Cooling up

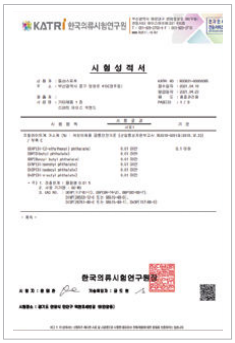

INCONTRO

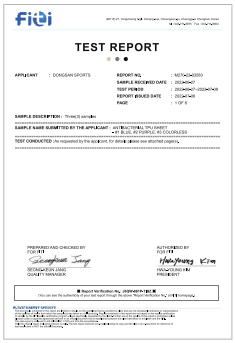

What is PCM?

Phase Change Material (PCM) developed by NASA to protect astronauts
from rapid temperature changes, it freezes and melts depending on
the outside temperature, freezes faster than water or other liquids and stays cool longer

CERTIFICATION

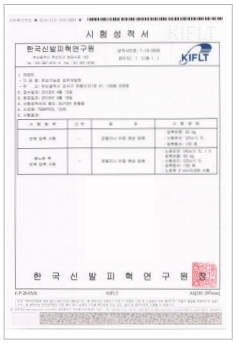

KC safety

SGS safety

99.9% Antibacterial

Plant-based PCM

Completed test
for compression

Tested for oral toxicity

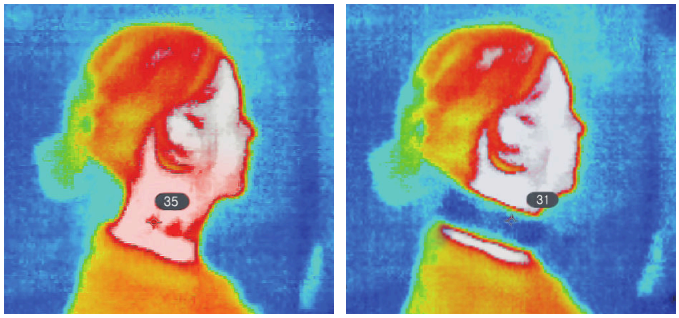

Suggest cooling solutions for the best condition

Only 10 minutes for the best condition

Cool your neck with safe, ambient temperature icing to keep you feeling better

Cooling technology of Smart Eco Ice delivers a deep cooling effect without frostbite and provides you the best condition in just 10 minutes

Wear wide neckband for 10 minutes

BEFORE
About 35°C~36°C

AFTER
About 30°C~31°C

PCM, naturally cooled at 18°C - 28°C temperature

It freezes and melts itself depending on the temperature environment, gradually starts to cool down below 28°C, so you can use it cool and easy to use even in hot weather

Tips for Smart Eco Ice freeze

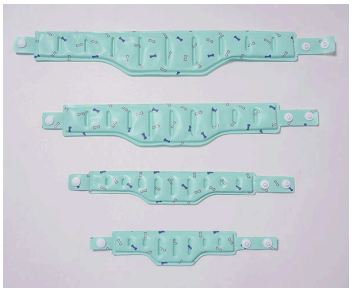

Smart Eco Ice has naturally-freezed material, easy to use it cool when product is liquid state

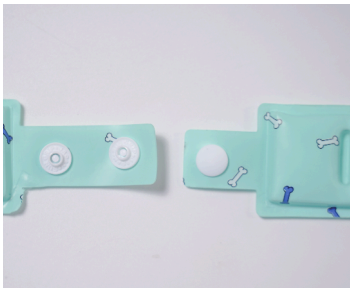

Smart eco ice

PET NECK BAND COOL MAT

Design Registration
NO. 30-1234716

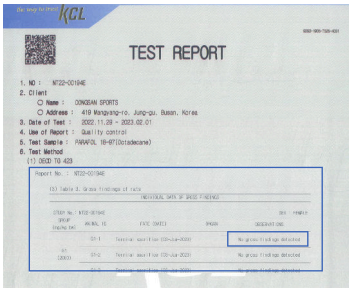

Various way
Four sizes

Easy to attatch
Sizing snap

Carrying bags, car seats, etc
Can be used various way

Safe and secure to use
Completed test for oral toxicity
